PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Ballot propositions authorizing the issuance of bonds and the levy of a special tax to repay the bonds have previously been approved by your Board for each County Community Facilities District (CFD). Under State Law, your Board is required to approve the levy of the special tax in an amount sufficient to provide for the debt service on the bonds and to pay administrative expenses.

The following details the total tax levy for each CFD and describes the impact on property within each district.

CFD No. 1 will require a total tax levy of \$554,599. The amount applicable to property will be apportioned in a range of \$41.04 to \$22,155.59 per parcel.

CFD No. 2 will require a total tax levy of \$911,302. The amount applicable to developed land will be apportioned in a range of \$1,144.19 to \$1,545.01 per parcel.

CFD No. 3 Improvement Area A will require a total tax levy of \$1,543,955. The amount applicable to developed land will be apportioned in a range of \$716.73 to \$1,862.97 per parcel. Improvement Area B will require a total tax levy of \$2,959,289. The amount applicable to developed land will be apportioned in a range of \$1,047.05 to \$2,016.71 per parcel. Improvement Area C will require a total tax levy of \$583,486. The amount applicable to developed land will be apportioned in a range of \$409.14 to \$1,905.86 per parcel.

CFD No. 4 Improvement Area C will require a total tax levy of \$99,238 which will be levied on developed property at a rate of \$0.7526 per building square foot.

CFD No. 5 will require a total tax levy of \$862,657. The amount applicable to developed land will be apportioned in a range of \$1,407.18 to \$1,895.70 per parcel.

CFD No. 6, Improvement Area A, will require a total tax levy of \$300,762 which will be levied on developed property at a rate of \$4,930.52 per parcel.

CFD No. 7 will require a total tax levy of \$627,645. The amount applicable to developed land will be apportioned in a range of \$1,659.53 to \$2,598.25 per residential parcel.

Implementation of Strategic Plan Goals

This action supports the County's Strategic Plan Goal of Organizational Effectiveness through collaborative actions among County departments and other governmental jurisdictions.

FISCAL IMPACT/FINANCING

All expenses, including bond payments, are the legal obligation of the individual districts. There is no financial recourse to the County.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Between the years of 1988 and 1995, special elections were held for each County CFD. Subsequent to the district elections, bonds were issued in the following amounts:

CFD No. 1		\$ 8,155,000
CFD No. 2		14,235,000
CFD No. 3	Improvement Area A	20,020,000
	Improvement Area B	42,000,000
	Improvement Area C	8,860,000
CFD No. 4	Improvement Area C	1,030,000
CFD No. 5		12,750,000
CFD No. 6	Improvement Area A	4,675,000
CFD No. 7		9,000,000

Ordinances authorizing the annual levy of a special tax on property within the districts were previously adopted by your Board and are in effect. The ordinances contain the specific method of computing the special tax for each respective CFD. The debt service on the bonds is paid from the proceeds of the special tax authorized by the ordinances. The special tax is computed for each parcel within a district based on the rate and method of apportionment that was approved for each CFD.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

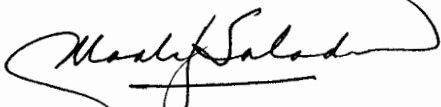

Not applicable.
